

## BECOME A MEMBER

CIRCULAR INDIANA connects you to a statewide community of organizations and individuals dedicated to creating a more circular economy. We share actionable tips, host valuable events, and empower our members to advocate for circular policies in their communities.

Joining us helps us achieve our vision for a prosperous economy, equitable quality of life, and a healthy environment through eliminating waste and elevating the value of resources. We are a 501(c)3 for-impact organization and do not receive funding from government entities. Our work needs you!
